Main Situations							
All aspects of early childhood education: Commuting to school (school bus, weather conditions) School events (seasonal events, pool time, sports day, school presentation, New Years, Setsubun, Girls Day) Infant care (infant development, baby food, nursing, health reports) Sickness and absence (cavities, nurse's office, writing reports, influenza, reasons for absence, school diary, school closure, parent contact network) Emergency preparedness (guardian pickup, evacuation drills, emergency kit) After school activities							
☆The Main Situations and Locations for each level will include some of the same areas. The contents of the areas and length of sentences will differ depending on the level of the test. The level of each test will vary as well.							
☆The standard for Level one is advanced university level. Even with a mastery of the English language, knowledge of early childhood education is necessary to answer the questions.							

Second Test Pre-Level							
Skill Assessment and Content							
English interview (10 minutes)							
Skill Assessment	Format and Content	Format and Content Details	Number of Questions	Scoring and Assessment			
Speaking Performance	Teach 5-year-olds how to make something, talk with them, give them warnings, etc.	The interviewee will take the role as an assistant teacher and give a presentation based on the scene and/or situation given.	1	Clarity - 4 points Fluency - 4 points Body Language/Eye Contact - 4 points Content - 4 points Total = 16 points	Private interview One interviewer Is the narration clear? Is the situation handled properly? Assessing: attitude, facial expressions, presentation, use of voice, pronunciation, vocabulary, grammar, diction, content, communication with children		
	Ask questions regarding the interviewee's ideas	Answer questions given by the interviewer that are related to the topic	2	Fluency - 4 points Comprehensibility - 4 points Accuracy - 4 points Total = 12 points			
※Passing score 19+				Total points = 28			
Main Situation							
Perform a lesson teaching 5-year-olds how to make something, talk with them, give them warnings, etc.							

Second Test Level 1							
Skill Assessment and Content							
English interview (20 minutes)							
Skill Assessment	Format and Content	Format and Content Details	Number of Questions	Scoring and Assessment			
Speaking Performance	Speak to parents about how to make something, talk with them, give them warnings, etc.	The interviewee will take the role as a homeroom teacher and give a presentation based on the scene and/or situation given.	1	Delivery - 4 points Fluency - 4 points Accuracy - 4 points General - 4 points Total = 16 points	Private interview One interviewer Is the narration clear? Is the situation handled properly? Assessing: attitude, facial expressions, presentation, use of voice, pronunciation, vocabulary, grammar, diction, content, communication with parents.		
	Ask questions regarding the interviewee's ideas	Answer questions given by the interviewer that are related to the topic	2	Fluency - 4 points Comprehensibility - 4 points Accuracy - 4 points Total = 12 points			
※Passing score 19+				Total points = 28			

Main Situation							
Give a presentation speaking to a parent, giving information or warnings, based on the scene and/or situation given.							

How to Take the Second Test (Sample: Pre-Level)							
1: The interviewee enters the room							
2: Receive "juken card" from the interviewer							
4: Beginning the interview	The interviewer will ask the name of the interviewee and the level being taken. Some simple introductory questions will be asked.						
5: Topic explanation	The interviewer will explain the topic and give preparation details.						
6: Preparation time (3 mins)	The interviewee will follow the preparation details and prepare their presentation in 3 minutes.						
7: Presentation (5 mins)	When instructed by the interviewer, begin the presentation. If the presentation goes over 5 minutes, the presentation may be stopped by the interviewer.						
8: Q&A (2 mins)	After the presentation, the interviewer will ask 2 questions based on the topic. Answer the questions. ※ If the interviewee is unable to understand the question and asks to hear the question again, points will not be taken away if asked in a natural way. If asked in an unnatural way or multiple times, then points may be taken away. In addition, if there are long pauses or hesitation during the answer, the interviewer might decide to move on to the next section.						
11: Post-interview	When the test is finished, make sure to give any materials or props back to the interviewer before leaving the room.						
12: Exiting	Promptly leave the testing area after leaving the room. You are not allowed to go back to the waiting room or talk with others waiting for their interview.
